International Conference

Nuclear Energy in Central Europe 2001

Call for Papers

September 10-13, 2001

Hoteli Bernardin, Portorož, Slovenia

<http://www.drustvo-js.si/port2001/>

International Conference Nuclear Energy in Central Europe 2001

The annual conference of the Nuclear Society of Slovenia has already become a traditional meeting of professionals dealing with different aspects of nuclear energy from all around Europe.

This year it will be the jubilee 10th conference in the series which begun in Bovec in 1992.

The primary objective of the meeting is to foster international cooperation between professionals from research and educational institutions, utilities and regulatory bodies.

Topics

The following broad topics will be discussed during the conference:

- Reactor Physics
- Thermal Hydraulics
- PSA and Severe Accidents
- Ageing and Structural Integrity
- Nuclear Power Plant Operation
- Research Reactors
- Nuclear Methods
- Nuclear Waste
- Regulatory Issues and Legislation
- Education and Training
- Public Relations
- Other Related Topics

Submission of Abstracts

Authors are invited to submit abstracts before **April 30, 2001**. The abstracts can be submitted on-line (see: <http://www.drustvo-js.si/port2001/>) or sent by e-mail to PORT2001@ijs.si. Preferred formats are MS Word or ASCII text file.

The abstract should include:

1. Title of the paper;
2. Full names of the authors (presenting author underlined), their institutions and address and e-mail of the corresponding author;
3. Up to one page text summarizing the main contents of the proposed contribution.

Authors may indicate their preference for the presentation in oral or poster sections. The correspondent will be informed of the abstract's acceptance before **June 30, 2001**.

Full-length papers (not exceeding 8 pages) are due by **Sept. 10, 2001**. A peer review of full-length papers will be performed before including the papers in the Proceedings.

Language

The language of the conference is English. No translation will be provided.

Proceedings

A copy of the Book of Abstracts will be distributed at the conference. The Proceedings containing full-length papers presented at the conference will be printed after the conference and mailed to the participants.

Contest of Young Authors

Award will be given for the best paper prepared by a first author aged no more than 32 years. The Award Committee will review the eligible papers to choose the winner. Candidates are kindly requested to indicate their intent to participate in this contest.

Hotel Accommodations

The organisers have booked a sufficient number of rooms in Bernardin (<http://www.h-bernardin.si>). Detailed information will be made available with the Conference Program.

Social Activities

A welcome reception and conference dinner will provide opportunities for informal discussions.

Portorož is touristically the most developed Slovenian seaside resort on the Adriatic coast. Besides its favourable climate it also offers many possibilities for active recreation and cultural events. For more information please visit the Web page:

http://www.burger.si/Obala/Obala_Skica.htm

A half-day trip will be organized during the conference.

Conference fee

50.000 SIT (~230 Euro): Members of sponsoring organizations

30.000 SIT (~140 Euro): Graduate students

60.000 SIT (~280 Euro): Others

Nuclear Society of Slovenia is granting a limited number of free admissions based on application. Undergraduate students may register without any charges.
