The international conference organized by the **Nuclear Society of Slovenia** annually brings together professionals from nuclear research organizations, educational institutions, utilities, industry, and regulatory bodies to discuss the current challenges in fission and fusion energy research.

Honorary patronage

Conference NENE 2024 is taking place under the Honorary patronage of the **President of the Republic of Slovenia Nataša Pirc Musar, PhD.**

Slogan and Topics

The slogan of this year's conference is "**Nuclear Research: Securing a Predictable Future**" and the main topics to be discussed are:

- Reactor physics
- Research reactors
- New reactor designs and small modular reactors
- Nuclear fusion and plasma technology
- Radiation and environmental protection
- Thermal-hydraulics, computational fluid dynamics
- Safety analyses and severe accidents
- Probabilistic safety assessment
- Nuclear power plant operation
- Materials in nuclear technology
- Ageing and plant life management
- Advances in nuclear technology
- Regulatory issues and legislation

- Fuel cycle, radioactive waste, and decommissioning
- Education and training
- Public outreach
- Other related topics

Call for Papers

Authors are invited to submit **abstracts** before **May 15, 2024**. Abstracts should be submitted through the NENE conference website and should not exceed 3500 characters. The Program Committee will review the abstracts and inform the corresponding authors about the **acceptance** and the type of presentation before **June 30, 2024**.

Full-length papers are due by **August 31, 2024**. Full length papers should be submitted through the conference website and should not exceed 8 pages using the provided template.

Proceedings and Publication

Proceedings containing full length peer reviewed papers presented at the conference will be published after the conference and distributed among the participants.

Young Authors Award

An award will be given for the best paper prepared by a first author aged **no more than 32 years**. The Young Author Award committee will review the eligible papers and select the winner. When submitting the contribution for the Young Authors Award, the applicant should describe precisely, what is his contribution to the paper.

Best Poster Award

Posters will be evaluated according to the clarity of objectives, results and conclusions, scientific relevance, as well as aesthetics.

Venue and Accommodation

The conference will take place in **Grand Hotel Bernardin** located by the sea between Portorož and Piran. Detailed information about rooms and bookings are available on their website:

<http://www.bernardingroup.si/en/>

Portorož is a coastal town in south-western Slovenia, a popular tourist destination and Piran is a charming old coastal town known for its narrow streets and Venetian architecture.

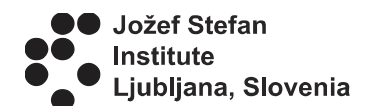

Conference Fee

The registration fee includes conference materials, welcome reception, lunches, conference dinner, and conference trip. Payments received before **July 31, 2024** will be considered as Early Bird. Fees include 22 % VAT.
